### Motion for Acquittal

The DEFENDANT, having been advised by legal counsel, has determined a need to file the following:

- 1) Due to the lack of any real evidence to affirm any level of crime committed by the Defendant, it is requested that the Defendant be Acquitted of all charges and his record expounded.

It has been shown through evidence and testimony that the charges against the Defendant were ungrounded in facts. Since there is no level of any part of a crime committed, the charges should be Acquitted. Since Acquittal is in fact just and indicated, the Defendant should have all charges expounded from his permanent record.
